RE: Application for New License in the Amateur Radio Service
Jack R. Sharples - WT Docket No. 07-108 - FCC File No. 0002185605

My name is Jack Sharples and I applied for a New License in the Amateur Radio Service. I received your notice of concerns and the scheduled review of my request.

My interest in having the Amateur Radio Service License is for a couple of reasons.

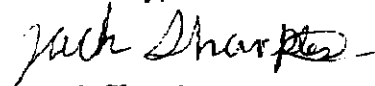

1. I live in Florida and as you know we have been having a lot of hurricanes over the last couple of years. Due to my Sexual Predator Title I am limited to the amount of places I can go in a Hurricane. If my home was to lose power, this Amateur Radio Service License would be my only link to the outside world. I hope you can understand my concerns.
2. I am disabled and in case of emergency I would be able to use this to call for help (911) or a friend or contact who ever is on the radio at that time to call for help for me.
3. I have friends who use the Amateur Radio Service and my friends are really the only ones I have an interest in speaking with on the Radio Service. I am not interested in speaking or meeting any children under the age of 18. My main use will be to speak with the people who already exist in my life and in addition to the friends use for emergencies and Hurricanes.

My interest in using the Amateur Radio Service is purely honorable. I have learned my lesson and I learned it the very hard way. What I did in the past was terribly wrong and I deeply regret the stupid decisions I made in my past. I have learned my lesson and I have not been in any trouble for over 7 years.

If you give me this Amateur Radio Service License, I welcome you to listen in on my calls, monitor my calls or record my calls. I have nothing to hide. You will not find I use the Radio Service in any illegal manner. If you feel after monitoring me for a length of time that I am using this Radio Service License in a bad way then please revoke my license.

I thank you for your time and consideration. I understand your concerns and I hope you will understand my reasons and that I am a reformed citizen of the United States.

Sincerely,

Jack Sharples
